Marks limited to colours

Where it is indicated in the application, for registration of the mark to be limited to certain colours, such colours are not published, but the claims are mentioned.

Application Details

The number of the application is indicated before the date of filing, followed by the particulars of the applicant. The address for service in case of a foreign applicant is also given. The conditions/limitations subject to which the mark is accepted are also indicated.

Since the registry follows the multiclass application system, the relevant goods/services and classes are shown together.

Opposition

Notice is hereby given that any person interested may, within three months from the date of this publication, give to the Registrar notice of opposition to the registration of the mark, on Form 10 along with the prescribed fee.

2. NEW NOTICES

The registry would like to notify our client to follow the 11th Edition of the NICE Classification of Goods and services in classifying the goods & services owing to changes and additional classes being included in this edition.

To assist the Registrar in expediting the acceptance of trademark application for registration, agents and clients are reminded to ensure that the specification of goods & services set out in the application forms conform with the International Classification of Goods & Services (9th edition of the Nice classification) as stated above.

Following INID Codes are used in the Journals

INID is an acronym for Internationally agreed Numbers for Identification of bibliographic Data

- (210)- Serial number of application
- (220)- Date of filing of application
- (310)(320)(330)- Priority
- (511) – NICE classification for goods and services
- (526) - Disclaimer
- (540) - Reproduction of marks
- (571) – Description of mark
- (731) – Name and address of the applicant
- (750) – Address for correspondence or agent

Note: The Registry does not guarantee the accuracy of its publication or undertakes any responsibility for errors and omissions or their consequences.

downloadable software programs enabling buyers and sellers of online advertising to purchase and sell advertising inventory; platform as a service (PaaS) proposing software platforms for the purchase and the dissemination of advertisements; application service provider (ASP) software featuring software intended for the purchase, sale, design, management, tracking, evaluation, optimization, targeting, analysis, providing of-, and preparation of reports on- online marketing and advertising; services of an application service provider (ASP) featuring software for the design and management of online advertising and marketing campaigns; design and development of game software and video game software for use with computers, video game program systems and computer networks; development of computer hardware for electronic multimedia and interactive games; development services for electronic multimedia and interactive games; design, engineering, research, development and testing services in the field of mobile application software development related to the use and functionality of hypertext links; technical support in the field of mobile application software development related to the use and functionality of hypertext links; providing online non-downloadable software enabling the development, evaluation, testing and maintenance of mobile applications software for portable computer devices; providing user authentication services by means of the unique signature and software technology for e-commerce transactions; providing user authentication services for electronic funds transfer, credit and debit cards and electronic check transactions by means of unique signature technology and software technology; providing an application programming interface (API) to enable users to perform electronic business transactions via the Internet; providing online non-downloadable software for electronic payment processing; platform as a service (PaaS) services featuring software enabling users to perform business and e-commerce transactions; providing online non-downloadable software application programming interface (API) software intended to be used for electronic messaging and transmission of audio, video, photo and text content and data; platform as a service (PaaS) including software platforms for electronic mail and transmission of audio and video content, photographic images, text, graphics and data; providing online non-downloadable software for electronic mail; cartography services; providing online non-downloadable software for mapping services; application service provider (ASP) services featuring software for cartography services; providing online non-downloadable software for sharing and displaying a user's location, plan activities with other users and give recommendations; application service provider (ASP) services featuring software to enable or facilitate sharing and displaying of a user's location, planning of activities with other users and giving recommendations; providing non-downloadable online software for social and location mapping; application service provider (ASP) services featuring software to enable or facilitate social and location mapping; providing non-downloadable online software for making reservations; application service provider (ASP) services comprising software to enable or facilitate reservations; providing non-downloadable online software for the order and/or purchase of goods and services; application service provider (ASP) services featuring software to enable or facilitate the order and/or purchase goods and services; providing non-downloadable online software capable of tracking for researching, determining and sharing the location of goods, services and events of interest; application service provider (ASP) services featuring software capable of tracking for researching, determining and sharing the location of goods, services and events of interest; providing non-downloadable online software for the creation, management of - and access to - private groups created and managed by users within virtual communities; providing non-downloadable online software for research and identification of local and location-based points of interest, events, points of reference, employment opportunities, entertainment, cultural events, shops and offers; providing non-downloadable online software for searching and identifying employment opportunities; providing software to identify and enable users to contact government representatives; providing non-downloadable online software for providing a virtual marketplace; providing non-downloadable online software for providing localized meteorological information; providing non-downloadable online software for providing, connecting, or streaming news information or information on current events; providing non-downloadable online software to facilitate interaction and communication between humans and artificial intelligence platforms; application service provider (ASP) services featuring

voice over Internet protocol calls (VoIP), telephone calls, video calls, text messages, electronic messages, instant messages and online social networking services; application service provider (ASP) services featuring software to enable or facilitate voice over Internet protocol calls (VoIP), telephone calls, video calls, text messages, electronic messages, instant messages and online social networking services; computer services, namely, providing information in the fields of technology and software development via the Internet and communication networks; providing non-downloadable online software enabling photographs to be taken and edited and videos to be recorded and edited; application service provider (ASP) services featuring software to enable or facilitate the taking and editing of photographs and recording and editing of videos; design and development of hardware and software for computer games; design and development of virtual reality hardware and software; design and development of mixed reality hardware and software; design and development of hardware and software for video games; providing temporary use of non-downloadable software applications for social networking, creating a virtual community and the transmission of virtual reality content and data; computer services, namely, programming of customized web pages featuring information defined or specified by the user, personal profiles and virtual reality and augmented reality content and data; computer programming services for the creation of videos and virtual reality games; design and development of augmented reality hardware and software; software development; development of interactive multimedia software; maintenance and repair of computer software; providing temporary use of non-downloadable software for transmitting, sharing, receiving, downloading, displaying, interacting with and transferring content, text, visual works, audio works, audiovisual works, literary works, data, files, documents and electronic works; computer services, namely, providing information in the fields of technology and software development via a global computer network; technical support services, namely, troubleshooting in the nature of diagnosing computer hardware and software problems; computer services, namely, hosting providers' services in the cloud; providing temporary use of on-line non-downloadable cloud computing software for the electronic storage of data; providing temporary use of on-line non-downloadable cloud computing software for applications and virtual and augmented reality environments; hosting software applications for others, namely, providing on-line interfaces featuring technology enabling users to upload and download electronic files; computer services, namely, hosting electronic facilities for others for interactive discussions via communication networks; providing online non-downloadable software; services of an application service provider, namely, providing, hosting, managing, developing and maintaining applications, software, websites and databases in the fields of wireless communication, mobile information access and remote data management for wireless delivery of content to handheld computers, laptops and mobile electronic devices; application service provider (ASP) services; providing online networks for users to download, modify and share audio content, video content, photographic images, texts, graphic illustrations and data; providing temporary use of online non-downloadable software and applications for instant messaging, voice over Internet protocol (VoIP), video and audio conferencing; computer services, namely, hosting an online community enabling registered users to participate in social networking; data encryption services; data encryption services; providing online non-downloadable software and applications for customer relations management (CRM); application service provider (ASP) services featuring software for customer relations management (CRM); providing online software platform services enabling users to display notes, opinions, referrals and recommendations relating to businesses, restaurants, service providers, events, public services and government agencies; computer services, in particular, application service provider services featuring application programming interface (API) software for customer relations management (CRM); hosting of digital content [virtual reality and augmented reality] on the Internet; scientific and technological services as well as research and design services relating thereto; industrial analysis and research services; computer services, namely, providing remote management of devices via computer networks, wireless networks or the Internet; providing non-downloadable online software for facilitating and organizing the financing and financial distribution of collections and donations; providing non-downloadable online software for online charity fundraising and monetary donations services; providing temporary

reality game services provided online from a computer network; augmented reality game services provided online from a computer network; provision of interactive computer games and online games; augmented reality video production; virtual reality video production; production of video and computer game software; game services provided on-line from a computer network; entertainment services, namely, provision of interactive games; production of multimedia entertainment software; media production services; entertainment in the form of development, creation, production and post-production of multimedia entertainment content; entertainment services, namely, provision of augmented reality games and interactive entertainment content; entertainment services, namely, provision of online virtual reality environments; entertainment services, namely, provision of online augmented reality environments; provision of entertainment information from directories and searchable databases, including texts, electronic documents, databases, graphic illustrations, photographic images and audiovisual information, on the Internet and communication networks; provision of information on computer games and online video games via computer or communication networks; organization and conducting of competitions for video game players and computer game players; organization of exhibitions in the field of interactive entertainment, virtual reality, consumer electronic products and video game industries entertainment for cultural or educational purposes; organization and conducting of educational conferences; organization of exhibitions in the field of development of educational software; provision of electronic publications, not downloadable, on the Internet on virtual reality technology; provision of electronic publications, not downloadable, on the Internet on augmented reality technology; education; training; sporting and cultural activities; entertainment and educational services, namely, provision of films, television programs, web-programs, audiovisual and multimedia works not downloadable on the Internet, as well as information, reviews and recommendations on films, TV shows, web shows, audiovisual works and multimedia works; provision of information in the field of entertainment and in the areas of interest groups for secondary education, college life, social life and community life through computer databases, electronic and online for educational, recreational and entertainment purposes; organization of competitions and incentive programs for educational purposes aimed at recognizing, rewarding and encouraging individuals and groups who are dedicated to personal progress, personal achievement, charitable, philanthropic, volunteer, public and community service and humanitarian activities and the sharing of creative work products; organizing and conducting of business conferences in the field of the interactive entertainment, virtual reality, general electronics and video games; educational services, namely, organization and conducting of seminars and conferences in the fields of artificial intelligence and the Internet of Things.

42 Design and development of computers and software; computer services, namely virtual communities software design enabling registered users to organize groups, meetings and events, participate in discussions, and participate in social, professional and community networking; computer services, in particular, hosting electronic infrastructures on behalf of third parties for organizing and conducting meetings, events and interactive discussions via the Internet and communication networks; computer services, namely programming of customized web pages featuring information defined or specified by users, personal information and profiles including audio, video, photo or text content and data; computer services, namely, provision of search engines enabling data to be obtained via the Internet and communication networks; provision of an online network featuring technology that enables online users to create personal profiles featuring information on social and commercial networking and to transfer and share this information on multiple online infrastructures to participate in social networking and manage their social networking accounts; provision of online non-downloadable software for social networking, creating a virtual community and transmitting audio, video, photo or text content and data; application service provider (ASP) services, namely hosting third-party software applications; application service provider (ASP) services featuring software for enabling or helping creating, editing, uploading, downloading, accessing, viewing, publishing, displaying, tagging, blogging, streaming, linking, annotate, sharing views concerning, commenting,

Successful Examination Marks

integrating, transmitting and sharing or providing via other channels multimedia content or electronic information via the Internet or communications networks; provision of an online network service that enables users to transfer personal identity data and share personal identity data with and between multiple online infrastructures; provision of online non-downloadable software for e-commerce that enables users to perform electronic business transactions via the Internet and communication networks; information technology services, particularly, services of an application service provider (ASP) featuring software application programming interface (API) that enables users to perform electronic business transactions via a global computer network; software as a service (SaaS) featuring software for sending and receiving of electronic messages, notifications and reminders and for facilitating electronic commercial transactions via the Internet and communication networks; provision of non-downloadable online software for designing, managing, measuring, analyzing, distribution and supply of third-party advertisements; provision of an application service featuring software for application programming interface (API) for the management, monitoring, measuring of - and the development of reports on - media planning, media buying and advertising of third parties; provision of non-downloadable software programs that enables buyers and sellers of online advertising to purchase and sell advertising inventory; platform as a service (PaaS) proposing software platforms for the purchase and the dissemination of advertisements; application service provider (ASP) software featuring software intended for the purchase, sale, design, management, tracking, evaluation, optimization, targeting, analysis, provision, and preparation of reports on online marketing and advertising; services of an application service provider (ASP) featuring software intended for the design and management of online marketing and advertising campaigns; design and development of game software and video game software intended for use with computers, video game program systems and computer networks; development of computer hardware for electronic multimedia and interactive games; development services for electronic multimedia and interactive games; design, engineering, research, development and testing in the field of mobile applications development of computer software for use in connection with the functionality and hypertext links; technical assistance in the field of mobile application software development related to the use and functionality of hypertext links; provision of non-downloadable online software that enables the development, evaluation, testing and maintenance of mobile applications software for portable computer devices; provision of user authentication services by means of the unique signature and software technology for e-commerce transactions; provision of user authentication services for electronic funds transfer, credit and debit cards and electronic check transactions by means of unique signature technology and software technology; provision of an application programming interface (api) to allow users to perform electronic business transactions via the Internet; provision of non-downloadable online software for processing electronic payments; platform as a service (PaaS) services featuring software enabling users to perform business and e-commerce transactions; provision of online non-downloadable software application programming interface (api) intended for use in electronic mail and transmission of content and audio, video, photo, and text data; platform as a service (PaaS) including computer software platforms for electronic mail and transmission of audio, video, photographic images, text, graphics and data; provision of non-downloadable online software for electronic messaging; cartography services; provision of non-downloadable online software for cartography services; application service provider (ASP) services featuring software for cartography services; provision of non-downloadable online software for sharing and displaying a user's location, plan activities with other users and give recommendations; application service provider (ASP) services featuring software to enable or facilitate sharing and displaying of a user's location, planning of activities with other users and giving recommendations; provision of non-downloadable online software for social and location mapping; application service provider (ASP) services featuring software to enable or facilitate social and location mapping; provision of non-downloadable online software for making reservations; application service provider (ASP) services comprising software to enable or facilitate reservations; provision of non-downloadable online software for the order and/or purchase of goods and services; application service provider (ASP) services featuring software to enable or facilitate the order and/or

Successful Examination Marks

purchase goods and services; provision of non-downloadable online software capable of tracking for researching, determining and sharing the location of goods, services and events of interest; application service provider (ASP) services featuring software capable of tracking for researching, determining and sharing the location of goods, services and events of interest; provision of non-downloadable online software for the creation, management of - and access to - private groups created and managed by users within virtual communities; provision of non-downloadable online software for research and identification of local and location-based points of interest, events, points of reference, employment opportunities, entertainment, cultural events, shops and offers; provision of non-downloadable online software for searching and identifying employment opportunities; provision of software to identify and enable users to contact government representatives; provision of non-downloadable online software for providing a virtual marketplace; provision of non-downloadable online software for providing localized meteorological information; provision of non-downloadable online software for providing, connecting, or streaming news information or information on current events; provision of non-downloadable online software to facilitate interaction and communication between humans and artificial intelligence platforms; application service provider (ASP) services featuring software to enable or facilitate interaction and communication between humans and artificial intelligence platforms; augmented reality and virtual reality effects design for modifying photographs, images, videos and audiovisual content; hosting sites that enables users to download, modify and share virtual reality content and data; hosting sites that enables users to download, modify and share augmented reality content and data; hosting sites that enables users to upload, modify and share mixed reality content and data; provision of non-downloadable software programs that enables buyers and sellers of online video advertisements to buy and sell advertising inventories; platform as a service (PaaS) proposing software platforms for the purchase and the dissemination of advertisements; services of an application service provider (ASP) featuring software intended for the purchase, sale, tracking, evaluation, optimization, targeting, analysis, provision, and preparation of reports on on-line marketing and advertising; services for an application service provider (ASP) featuring software intended for the design and management of advertising campaign videos and on-line marketing; provision of non-downloadable online software for the creation and management of social media profiles and user accounts; provision of non-downloadable online software for modifying photographs, images and audio, video and audio-video with photographic filters and augmented reality effects, particularly graphics, animations, texts, designs, geotags, metadata tags, hyperlinks; providing non-downloadable online software for viewing and interacting with an electronic multimedia stream, namely images, video and audiovisual content, live streaming of videos, comments, advertising, news, and Internet links; providing non-downloadable online software for finding content and editors of content and for subscribing to content; providing non-downloadable online software for organizing images, video and audiovisual content by means of metadata tags; IT services, namely, hosting a virtual community that enables registered users to share, view, subscribe to- and interact with- images, audiovisual and video content and related data and information; application service provider (ASP) services featuring software for social networking, social networking content management, virtual community creation and transmission of images, audiovisual and video content, photographs, videos, data, texts, messages, advertisements, media advertising communications and information; application service provider (ASP) services featuring application programming interface (API) software which facilitates online services for social networking, software applications development; platform as a service (PaaS) featuring software platforms for social networking, social networking content management, virtual community creation and transmission of images, audiovisual and video content, photographs, videos, data, texts, messages, advertisements, media advertising communications and information; rental of software enabling users to download, modify and share images, videos and audiovisual content; computer services, namely hosting online content and advertising defined by the user and creating a social media feed; providing non-downloadable online software for taking photographs and recording audio, video and audiovisual content; providing non-downloadable online software for uploading, downloading, archiving, enabling the transmission and sharing of images, video and audiovisual

Successful Examination Marks

content and related text and data; providing non-downloadable online software for streaming of multimedia entertainment content; providing non-downloadable online software for creating and maintaining an online presence for individuals, groups, businesses and brands; providing non-downloadable online software enabling advertisers to communicate and interact with online communities; personal assistant software design; social assistance software design; provision of non-downloadable online e-commerce software to enable users to conduct electronic business transactions over the internet; provision of temporary use of non-downloadable software to access, collect, display, edit, link, modify, organize, label, stream, share, store, transmit and otherwise provide electronic media, photographs, images, graphics, audio, video and audiovisual content, data and information through the Internet and communication networks; provision of temporary use of software non-downloadable to facilitate voice over Internet Protocol (Voip) calls, telephone calls, video calls, text messages, electronic messages, instant messaging and online social networking services; application service provider (ASP) services featuring software to enable or facilitate voice over Internet protocol calls (VoIP), telephone calls, video calls, text messages, electronic messages, instant messages and online social networking services; IT services, namely, the provision of information in the fields of technology and software development through the Internet and communication networks; providing non-downloadable online software enabling photographs to be taken and edited and videos to be recorded and edited; application service provider (ASP) services featuring software to enable or facilitate the taking and editing of photographs and recording and editing of videos; design and development of computer game hardware and software; design and development of virtual reality hardware and software; design and development of mixed reality computer hardware and software; design and development of video game hardware and software; provision of temporary use of non-downloadable software applications for social networking, virtual community creation and the transmission of virtual reality content and data; IT services, namely, programming of custom web pages containing user-defined or specified information, personal profiles and virtual reality and augmented reality content and data; computer programming services for the creation of videos and virtual reality games; design and development of augmented reality hardware and software; software development; development of interactive multimedia software; maintenance and repair of computer software; provision of temporary use of non-downloadable software to transmit, share, receive, download, display, interact with and transfer content, texts, visual works, audio works, audiovisual works, literary works, data, files, documents and electronic works; IT services, namely, the provision of information in the fields of technology and software development through a global IT network; technical support services, namely, troubleshooting in the form of hardware and computer software troubleshooting; IT services, namely, cloud hosting provider services; provision of temporary use of non-downloadable cloud-based online software for electronic data storage; provision of temporary use of non-downloadable cloud-based online software for virtual and augmented reality applications and environments; hosting of online interfaces (software) for third parties featuring a technology that enables users to upload upstream and download downstream electronic files; computer services, namely, hosting electronic facilities for third parties for interactive discussions via communication networks; provision of an online non-downloadable software; services for an application service provider, namely, provision, hosting, management, development and maintenance of applications, software, websites and databases in the field of wireless communication, access to mobile information and remote data management for wireless provision of content on handheld computers, laptops and mobile electronic devices; application service provider (ASP) services; provision of temporary use of computer software and non-downloadable online applications for instant messaging, voice over Internet protocol (VoIP), audio conferencing and video conferencing; computer services, namely, hosting an online community that enables registered users to participate in social networking; data encryption services; data encryption services; provision of online non-downloadable software and applications for customer relations management (CRM); application service provider (ASP) services featuring software for customer relations management (CRM); provision of online software platform services that enables users to display notes, notices, references and recommendations concerning

Successful Examination Marks

companies, restaurants, service providers, events, public services and government agencies; computer services, in particular, application service provider services featuring application programming interface (API) software for customer relations management (CRM); hosting of digital content [virtual reality and augmented reality] on the Internet; scientific and technological services as well as research and design services relating thereto; industrial analysis and research services; computer services, namely, provision of remote management devices via computer networks, wireless networks or the Internet; providing non-downloadable online software for facilitating and organizing the financing and financial distribution of collections and donations; providing non-downloadable online software for online charity fundraising and monetary donations services; providing of temporary use of online non-downloadable software for access and use of an on-line network of third parties featuring user comments concerning business organizations, service providers and other resources.

45 Social dating, networking and appointment services; providing information in the field of personal development, personal improvement, personal accomplishment, charitable, philanthropic, volunteer, public and community, and humanitarian activities services; providing concierge services for third parties, in particular reservation, purchase facilitation, organization of deliveries, carrying out personal requests, providing recommendations on products and services, providing customer-specific information to respond to the individual needs and providing reminders and electronic notifications; online social networking services; providing information in the field of social networking and social gatherings from online interactive databases; user verification services [identity verification services]; identification verification services [identity verification services]; business identification verification services [identity verification services]; legal services.

(210) Application Number : BT/M/0001/1511531

(220) Application Date : 23/10/2019

(731) Applicant Name : YENİ MAĞAZACILIK ANONİM ŞİRKETİ

(731) Applicant Address : Saray Mahallesi, Naya Sokak No: 2/A Kat: 2, Ümraniye TR-34768 İstanbul, Turkey

(750) Representative: Bağlarbaşı Mah. Şahin Sok., Aydın Aydın Plaza No:12/3, Maltepe İstanbul

(526) Disclaimer :

resins, metals in foil and powder form for painters, decorators, printers and artists, bleaching and cleaning preparations, detergents other than for use in manufacturing operations and for medical purposes, laundry bleach, fabric softeners for laundry use, stain removers, dishwasher detergents, perfumery, cosmetics, fragrances, deodorants for personal use and animals, dental care preparations: dentifrices, denture polishes, tooth whitening preparations, mouth washes, not for medical purposes, abrasive preparations, emery cloth, sandpaper, pumice stone, abrasive pastes, polishing preparations for leather, vinyl, metal and wood, polishes and creams for leather, vinyl, metal and wood, wax for polishing, industrial oils and greases, cutting fluids, dust absorbing, wetting and binding compositions, solid fuels, coal, firewood, liquid and gas fuels, petrol, diesel oil, liquified petroleum gas, natural gas, fuel oil and their non-chemical additives, candles, wicks, semi-finished wax, wax and paraffin for lighting purposes, pharmaceutical and veterinary preparations for medical purposes, chemical preparations for medical and veterinary purposes, chemical reagents for pharmaceutical and veterinary purposes, dietary supplements for pharmaceutical and veterinary purposes, dietary supplements, nutritional supplements, medical preparations for slimming purposes, food for babies, herbs and herbal beverages adapted for medicinal purposes, dental preparations and articles, teeth filling material, dental impression material, dental adhesives and material for repairing teeth, sanitary preparations for medical use, hygienic pads, hygienic tampons, plasters, materials for dressings, diapers, including those made of paper and textiles, preparations for destroying vermin, fungicides, pharmaceutical and veterinary, deodorants, other than for human beings or for animals, air deodorising preparations, disinfectants, antiseptics, detergents for medical purposes, ores of non-precious metal, common metals and their alloys and semi-finished products made of these materials, goods and materials of common metal used for storage, wrapping, packaging and sheltering purposes, containers of metal (storage, transport), buildings of metal, frames of metal for building, poles of metal for building, metal boxes, packaging containers of metal, aluminium foil, fences made of metal, guard barriers of metal, metal tubes, storage containers of metal, metal containers for the transportation of goods, ladders of metal, goods of common metal for filtering and sifting purposes, doors, windows, shutters, jalousies and their cases and fittings of metal, non-electric cables and wires of metal, ironmongery, small hardware of metal, ventilation ducts, vents, vent covers, pipes, chimney caps, manhole covers, grilles of metal for ventilation, heating, sewage, telephone, underground electricity and air conditioning installations, metal panels or boards (non-luminous and non-mechanical) used for signalling, route showing, publicity purposes, signboards of metal, advertisement columns of metal, signaling panels of metal, non-luminous and non-mechanical traffic signs of metal, pipes of metal for transportation of liquids and gas, drilling pipes of metal and their metal fittings, valves of metal, couplings of metal for pipes, elbows of metal for pipes, clips of metal for pipes, connectors of metal for pipes, safes (strong boxes) of metal, metal railway materials, metal rails, metal railway ties, railway switches, bollards of metal, floating docks of metal, mooring buoys of metal, anchors, metal moulds for casting, other than machine parts, works of art made of common metals or their alloys, metal closures, bottle caps of metal, metal poles, metal pallets and metal ropes for lifting, loading and transportation purposes, metal hangers, ties, straps, tapes and bands used for load-lifting and load-carrying, wheel chocks made primarily of metal, machines, machine tools and industrial robots for processing and shaping wood, metals, glass, plastics and minerals, 3D printers, construction machines and robotic mechanisms (machines) for use in construction, bulldozers, diggers (machines), excavators, road construction and road paving machines, drilling machines, rock drilling machines, road sweeping machines, lifting, loading and transmission machines and robotic mechanisms (machines) for lifting, loading and transmission purposes, elevators, escalators and cranes, machines and robotic mechanisms (machines) for use in agriculture and animal breeding, machines and robotic mechanisms (machines) for processing cereals, fruits, vegetables and food, engines and motors, other than for land vehicles, parts and fittings therefor, hydraulic and pneumatic controls for engines and motors, brakes other than for vehicles, brake linings for engines, crankshafts, gearboxes, other than for land vehicles, gearboxes, cylinders for engines, pistons for engines, turbines, not for land vehicles, filters for engines and motors, oil, air and fuel filters for land vehicle engines, exhausts for land vehicle engines, exhaust

Successful Examination Marks

manifolds for land vehicle engines, engine cylinders for land vehicles, engine cylinder heads for land vehicles, pistons for land vehicle engines, carburetors for land vehicles, fuel conversion apparatus for land vehicle engines, injectors for land vehicle engines, fuel economisers for land vehicle engines, pumps for land vehicle engines, valves for land vehicle engines, starter motors for land vehicles, dynamos for land vehicle engines, sparking plugs for land vehicle engines, bearings (parts of machines), roller or ball bearings, machines for mounting and detaching tires, alternators, current generators, electric generators, current generators operated with solar energy, painting machines, automatic spray guns for paint, electric, hydraulic and pneumatic punching machines and guns, electric adhesive tape dispensers (machines), electric guns for compressed gas or liquid spraying machines, electric hand drills, electric hand saws, electric jigsaw machines, spiral machines, compressed air machines, compressors (machines), vehicle washing installations, robotic mechanisms (machines) with the abovementioned functions, electric and gas-operated welding apparatus, electric arc welding apparatus, electric soldering apparatus, electric arc cutting apparatus, electrodes for welding machines, industrial robots (machines) with the abovementioned functions, printing machines, packaging machines, filling, plugging and sealing machines, labellers (machines), sorting machines, industrial robots (machines) with the abovementioned functions, electric packing machines for plugging and sealing of plastics, machines for textile processing, sewing machines, industrial robots (machines) with the abovementioned functions, pumps other than parts of machines or engines, fuel dispensing pumps for service stations, self-regulating fuel pumps, electric kitchen machines for chopping, grinding, crushing, mixing and mincing foodstuff, washing machines, laundry washing machines, dishwashers, spin driers (not heated), electric cleaning machines for cleaning floors, carpets or floorings, vacuum cleaners and parts thereof, automatic vending machines, galvanizing and electroplating machines, electric door openers and closers, joints (parts of engines), forks, spoons, knives and non-electric cutters, slicers, peelers for kitchen use, including those made of precious metals, side arms and blades (weapons), tools and apparatus for personal beauty care use, tools and apparatus for shaving, epilation, manicure and pedicure, electric hand implements for straightening and curling hair, scissors, hand-operated [non-electric] hand tools for the repair of machines, apparatus and vehicles and for use in construction, agriculture, horticulture and forestry, none of them being power tools, electric or non-electric irons, steam irons, measurement apparatus and equipment including those for scientific, nautical, topographic, meteorologic, industrial and laboratory purposes, thermometers, not for medical purposes, barometers, ammeters, voltmeters, hygrometers, testing apparatus not for medical purposes, telescopes, periscopes, directional compasses, speed indicators, laboratory apparatus, microscopes, magnifying glasses, stills, ovens and furnaces for laboratory experiments, apparatus for recording, transmission or reproduction of sound or images, cameras, photographic cameras, television apparatus, video recorders, CD and DVD players and recorders, MP3 players, computers, desktop computers, tablet computers, microphones, loudspeakers, earphones, telecommunications apparatus, apparatus for the reproduction of sound or images, computer peripheral devices, cell phones, covers for cell phones, telephone apparatus, computer printers, scanners [data processing equipment], photocopiers, magnetic and optic data carriers and computer software and programmes recorded thereto, downloadable and recordable electronic publications, encoded magnetic and optic cards, antennas, satellite antennas, amplifiers for antennas, parts of the aforementioned goods, ticket dispensers, automatic teller machines (ATM), electronic components used in the electronic parts of machines and apparatus, semi-conductors, electronic circuits, integrated circuits, chips [integrated circuits], diodes, transistors [electronic], magnetic heads for electronic apparatus, electronic locks, photocells, remote control apparatus for opening and closing doors, optical sensors, counters and quantity indicators for measuring the quantity of consumption, automatic time switches, clothing for protection against accidents, irradiation and fire, safety vests and life-saving apparatus and equipment, eyeglasses, sunglasses, optical lenses and cases, containers, parts and components thereof, apparatus and instruments for conducting, transforming, accumulating or controlling electricity, electric plugs, junction boxes [electricity], electric switches, circuit breakers, fuses, lighting ballasts, battery starter cables, electrical circuit boards, electric resistances, electric sockets, transformers [electricity],

Successful Examination Marks

electrical adapters, battery chargers, electric door bells, electric and electronic cables, batteries, electric accumulators, alarms and anti-theft alarms, other than for vehicles, electric bells, signalling apparatus and instruments, luminous or mechanical signs for traffic use, fire extinguishing apparatus, fire engines, fire hose and fire hose nozzles, radar apparatus, sonars, night vision apparatus and instruments, decorative magnets, metronomes, surgical, medical, dental and veterinary apparatus and instruments, furniture especially made for medical purposes, artificial limbs and prostheses, medical orthopaedic articles, corsets for medical purposes, orthopaedic shoes, elastic bandages and supportive bandages, surgical gowns and surgical sterile sheets, adult sexual aids, condoms, babies' bottles, babies' pacifiers, teats, teethers for babies, lighting installations, lights for vehicles and interior-exterior spaces, heating installations using solid, liquid or gas fuels or electricity, central heating boilers, boilers for heating installations, radiators [heating], heat exchangers, not parts of machines, stoves, kitchen stoves, solar thermal collectors [heating], steam, gas and fog generators, steam boilers, other than parts of machines, acetylene generators, oxygen generators, nitrogen generators, installations for air-conditioning and ventilating, cooling installations and freezers, electric and gas-powered devices, installations and apparatus for cooking, drying and boiling: cookers, electric cooking pots, electric water heaters, barbecues, electric laundry driers, hair driers, hand drying apparatus, sanitary installations, taps [faucets], shower installations, toilets [water-closets], shower and bathing cubicles, bath tubs, toilet seats, sinks, wash-hand basins [parts of sanitary installations], water softening apparatus, water purification apparatus, water purification installations, waste water purification installations, electric bed warmers and electric blankets, not for medical use, electric pillow warmers, electric or non-electric footwarmers, hot water bottles, filters for aquariums and aquarium filtration apparatus, industrial type installations for cooking, drying and cooling purposes, pasteurizers and sterilizers, motor land vehicles, motorcycles, mopeds, engines and motors for land vehicles, clutches for land vehicles, transmissions, transmission belts and transmission chains for land vehicles, gearing for land vehicles, brakes, brake discs and brake linings for land vehicles, vehicle chassis, automobile bonnets, vehicle suspension springs, shock absorbers for automobiles, gearboxes for land vehicles, steering wheels for vehicles, rims for vehicle wheels, bicycles and their bodies, handlebars and mudguards for bicycles, vehicle bodies, tipping bodies for trucks, trailers for tractors, frigorific bodies for land vehicles, trailer hitches for vehicles, vehicle seats, head-rests for vehicle seats, safety seats for children, for vehicles, seat covers for vehicles, vehicle covers (shaped), sun-blinds adapted for vehicles, direction signals and arms for direction signals for vehicles, windscreen wipers and wiper arms for vehicles, inner and outer tires for vehicle wheels, tubeless tires, tire-fixing sets comprised of tire patches and tire valves for vehicles, windows for vehicles, safety windows for vehicles, rearview mirrors and wing mirrors for vehicles, anti-skid chains for vehicles, luggage carriers for vehicles, bicycle and ski carriers for cars, saddles for bicycles or motorcycles, air pumps for vehicles, for inflating tires, anti-theft alarms for vehicles, horns for vehicles, safety belts for vehicle seats, air bags (safety devices for automobiles), baby carriages, wheelchairs, pushchairs, wheelbarrows, shopping carts, single or multi-wheeled wheelbarrows, shopping trolleys, grocery carts, handling carts, rail vehicles, locomotives, trains, trams, waggon, cable cars, chairlifts, vehicles for locomotion by water and their parts, other than their motors and engines, vehicles for locomotion by air and their parts, other than their motors and engines, firearms, air pistols (weapons), spring-loaded firearms, adapted cases and shoulder straps therefor, heavy weapons, mortars and rockets, fireworks, sprays for personal defence purposes, jewellery, imitation jewellery, gold, precious stones and jewellery made thereof, cufflinks, tie pins, statuettes and figurines of precious metal, clocks, watches and chronometrical instruments, chronometers and their parts, watch straps, musical instruments and cases for musical instruments, paper and cardboard, paper and cardboard for packaging and wrapping purposes, cardboard boxes, paper towels, toilet paper, paper napkins, plastic materials for packaging and wrapping purposes, printing blocks and types, bookbinding material, printed publications, printed matter, books, magazines, newspapers, bill books, printed dispatch notes, printed vouchers, calendars, posters, photographs [printed], paintings, stickers [stationery], postage stamps, stationery, office stationery, instructional and teaching material [except furniture and apparatus], writing and drawing

Successful Examination Marks

implements, artists' materials, paper products for stationery purposes, adhesives for stationery purposes, pens, pencils, erasers, adhesive tapes for stationery purposes, cardboard cartons [artists' materials], writing paper, copying paper, paper rolls for cash registers, drawing materials, chalkboards, painting pencils, watercolors [paintings], office requisites, paint rollers and paintbrushes for painting, rosaries, rubber, gutta-percha, gum, asbestos, mica and semi-finished synthetic goods made from these materials in the form of powder, bars, panels and foils, Insulation, stopping and sealing materials, insulation paints, insulation fabrics, insulating tape and band, insulation covers for industrial machinery, joint sealant compounds for joints, gaskets, O-rings for sealing purposes, flexible pipes made from rubber and plastic, hoses made of plastic and rubber, including those used for vehicles, junctions for pipes of plastic and rubber, pipe jackets of plastic and rubber, hoses of textile material, junctions for pipes, not of metal, pipe jackets, not of metal, connecting hose for vehicle radiators, unworked or semi-worked leather and animal skins, imitations of leather, stout leather, leather used for linings, goods made of leather, imitations of leather or other materials, designed for carrying items, bags, wallets, boxes and trunks made of leather or stout leather, keycases, trunks [luggage], suitcases, umbrellas, parasols, sun umbrellas, walking sticks, whips, harness, saddlery, stirrups, straps of leather (saddlery), sand, gravel, crushed stone, asphalt, bitumen, cement, gypsum, plaster, concrete, marble blocks for construction, building materials (as finished products) made of concrete, gypsum, clay, potters' clay, stone, marble, wood, plastics and synthetic materials for building, construction, road construction purposes, non-metallic buildings, non-metallic building materials, poles not of metal for power lines, barriers not of metal, natural and synthetic coatings in the form of panels and sheets, being building materials, bitumen cardboard coatings for roofing, bitumen coating for roofing, doors and windows of wood and synthetic materials, traffic signs not of metal, non-luminous and non-mechanical, for roads, monuments and statuettes of stone, concrete and marble, building glass, prefabricated swimming pools not of metal (structures), aquarium sand, furniture, made of any kind of material, mattresses, pillows, air mattresses and cushions, not for medical purposes, sleeping bags for camping, water beds, not for medical purposes, mirrors, beehives, artificial honeycombs and sections of wood for honeycombs, bouncing chairs for babies, playpens for babies, cradles, infant walkers, display boards, frames for pictures and paintings, identification plates, identification tags, nameplates, identification labels made of wood or synthetic materials, packaging containers of wood or plastics, casks for use in transportation or storage, barrels, storage drums, tanks, boxes, storage containers, transportation containers, chests, loading pallets and closures for the aforementioned goods, of wood or plastics, small hardware goods of wood or synthetic materials, furniture fittings, of wood or synthetic materials, opening and closing mechanisms of wood or synthetic materials, ornaments and decorative goods of wood, cork, reed, cane, wicker, horn, bone, ivory, whalebone, shell, amber, mother-of-pearl, meerschaum, beeswax, plastic or plaster namely figurines, holiday ornaments for walls and sculptures, baskets, fishing baskets, kennels, nesting boxes and beds for household pets, portable ladders and mobile boarding stairs of wood or synthetic materials, bamboo curtains, roller indoor blinds [for interiors], slatted indoor blinds, strip curtains, bead curtains for decoration, curtain hooks, curtain rings, curtain tie-backs, curtain rods, non-metal wheel chocks, hand-operated non-electric cleaning instruments and appliances, brushes, other than paintbrushes, steel chips for cleaning, sponges for cleaning, steel wool for cleaning, cloths of textile for cleaning, gloves for dishwashing, non-electric polishing machines for household purposes, brooms for carpets, mops, toothbrushes, electric toothbrushes, dental floss, shaving brushes, hair brushes, combs, non-electric household or kitchen utensils [other than forks, knives, spoons], services [dishes], pots and pans, bottle openers, flower pots, drinking straws, non-electric cooking utensils, ironing boards and shaped covers therefor, drying racks for washing, clothes drying hangers, cages for household pets, indoor aquariums, vivariums and indoor terrariums for animals and plant cultivation, ornaments and decorative goods of glass, porcelain, earthenware or clay namely statues, figurines and vases, mouse traps, insect traps, electric devices for attracting and killing flies and insects, fly catchers, fly swatters, perfume burners, perfume sprayers, perfume vaporizers, electric or non-electric make-up removing appliances, powder puffs, toilet cases, nozzles for sprinkler hose, nozzles for watering cans, watering devices, garden

Successful Examination Marks

watering cans, unworked or semi-worked glass, except building glass, mosaics of glass and powdered glass for decoration, except for building, glass wool other than for insulation or textile use, ropes, strings, rope ladders, hammocks, fishing nets, tents, awnings, tarpaulins, sails, vehicle covers, not fitted, bags of textile, for packaging, padding and stuffing materials, except of rubber and plastics, including those of wool and cotton, textile fibers, raw spun fiber, glass fibers for textile use, yarns and threads for textile use, threads and yarns for sewing, embroidery and knitting, thread, elastic yarns and threads for textile use, woven or non-woven textile fabrics, textile goods for household use, curtains, bed covers, sheets (textile), pillowcases, blankets, quilts, towels, flags, pennants, labels of textile, swaddling blankets, clothing, including underwear and outerclothing, other than special purpose protective clothing, socks, mufflers [clothing], shawls, bandanas, scarves, belts [clothing], footwear, shoes, slippers, sandals, headgear, hats, caps with visors, berets, caps [headwear], skull caps, laces and embroidery, guipures, festoons, ribbons
