Marks limited to colours

Where it is indicated in the application, for registration of the mark to be limited to certain colours, such colours are not published, but the claims are mentioned.

Application Details

The number of the application is indicated before the date of filing, followed by the particulars of the applicant. The address for service in case of a foreign applicant is also given. The conditions/limitations subject to which the mark is accepted are also indicated. Since the registry follows the multiclass application system, the relevant goods/services and classes are shown together.

Opposition

Notice is hereby given that any person interested may, within three months from the date of this publication, give to the Registrar notice of opposition to the registration of the mark, on Form 10 along with the prescribed fee.

2. NEW NOTICES

The registry would like to notify our client to follow the 11th Edition of the NICE Classification of Goods and services in classifying the goods & services owing to changes and additional classes being included in this edition.

To assist the Registrar in expediting the acceptance of trademark application for registration, agents and clients are reminded to ensure that the specification of goods & services set out in the application forms conform with the International Classification of Goods & Services (11th edition of the Nice classification) as stated above.

Following INID Codes are used in the Journals

INID is an acronym for Internationally agreed Numbers for Identification of bibliographic Data
